APPENDIX

The decendants of the seven children of Jesse 2. (fifth generation) who settled in Warren County, Ohio, before the close of the sevententh century, became lawyers, statesmen and farmers, who contributed to the growth and prosperity of the State, by industry on the numerous farms and in the legislative Halls of the State. Honorable Thomas Corwin son of Matthias and nephew of Joseph 1. was Governor of Ohio in 1840. He entered upon the duties of Secretary of Treasury in 1850 and served to the end of that administration.

It would be interesting to compile the genealogy of this pioneer family, the descendants of whom are scattered in several states. It would be a gigantic task. The writer of "Joseph Corwin of Ohio," one branch of this pioneer family, is pleased to submit the work to those who have been so interested in the compilation.

CORWIN GENEALOGY

compiled by Ellen VanHouten

Earliest settlers of the Mass.Bay Colony, we find a Mathais Corwin. The Commoners Record, at Ipswich, yet preserved says "Given and Granted to Mathais Corwin(Curwin) two acres of land, lying unto his house, on the east end there of to him, his heirs and assigns. This was in 1634, and seems to a second grant of land. The name in the same records is also spelled Curwin and they note, concerning him, that he finally removed to Southhold, Long Island. The first grant was probably the 50 to 100 acres given to all first settlers. These settlers of Ipswich came under the lead and governship of John Winthrop."
